Core Capabilities

Supplier Diversity Academy specializes in diversity performance. We empower Minority and Women Business Enterprises (MWBEs) and Supplier Diversity to work together more effectively and profitably. By exploring greater possibilities and putting the emphasis on people and performance, our clients are able to maximize profitability.

Our comprehensive services include:

- Training and Development for MWBEs
- Training and Development for Supplier Diversity Executives
- Supplier Relationship Management Consulting
- Diverse Supplier Readiness Programs
- Diversity and Inclusion Training

Differentiators

Supplier Diversity Academy brings an experienced supplier perspective to enhance the performance of supplier diversity initiatives. This perspective aids in the ability to drive improvements in supplier relationship management.

Our extensive background in diversity leadership and organizational development makes us a natural choice to cultivate the capabilities and capacity of supplier diversity executives and their teams.

We are leaders in minority business development, enabling us to increase the capacity and performance of diverse suppliers to meet the demands of their corporate clients.
